Bruno Morawetz Speaker Sponsorship Program 2018

Deadline for sponsorship applications is **November 30, 2017**

Established in 1969, the Society of Camp Directors exists to promote research, education and professional practices in the operation of children's summer camps.

The Society established a Speaker Sponsorship Program in 1998 to honour the late Bruno Morawetz, one of the founding members of the Society. The sponsorship represents the wealth of knowledge, enthusiasm and energy which Bruno gladly shared, the strength of his personal integrity, spiritual values and family love, and his dedication, as a volunteer, to the improvement of camping, his own community and the broader Canadian society.

While sharing the ownership and direction of Camp Ponacka with his wife Gwen for more than 50 years, Bruno earned a PhD., taught at Trent University, was a founding member of the Algonquin Arts Council in Bancroft, served at different times on the Ontario Camps Association Board of Directors and many of its Committees, was President of the Society, as well as being an active volunteer and leader in many charitable organizations in his two communities of Peterborough and Bancroft, Ontario.

Eligibility

The Sponsorship Program is made available to cover fees, travel costs and other related expenses of a keynote speaker or seminar leader at any major professional development event (conference, seminar or special workshop for directors and senior staff) organized by a provincial camping association Federated Member of the CCA/ACC.

The maximum total funding available is \$2000 per year, to be allocated to one or more of the events for which sponsorship has been requested.

Those provincial associations who receive funding are not eligible to re-apply for the subsequent two years.

- The Society of Camp Directors and the Sponsorship Program must be identified in the event literature or program, and at the time of the presentation. Wherever possible, a Fellow of the Society should be asked to formally introduce the speaker.
- Appropriate documentation of the presentation (web friendly formats e.g. .pdf and .mpeg) must be sent to the Society immediately after the event for inclusion in the Trent University Archives, and no later than December 30th. Payment is made upon receipt of this documentation.
